Winter Conference 2010

Tuesday-Wednesday • January 26-27
Bicentennial Center

**The Premier Continuous
No-till Conference
in North America!**

JOHN DEERE

SALINA, KANSAS

SALINA BICENTENNIAL CENTER

800 The Midway
Kenwood Park
Salina, Kansas

Driving Instructions: Salina sets conveniently at the crossroads of Interstate 70 and Interstate 135 (the two major highways in Kansas). There are highway signs along both to assist you to the Bicentennial Center.

From I-70: Exit I-70 at the Ohio Street exit. Proceed south approximately 2¾ miles until Iron Avenue. Make a right turn (West) onto Iron Avenue and go approximately ½ mile to Oakdale Avenue and turn left (South). Continue south until you reach the Bicentennial Center located adjacent to Kenwood park.

From I-135: Exit from I-135 at the Crawford Street exit. Go East approximately 2½ miles to Ohio Street. Turn left (North) on Ohio Street and go ¾ mile to a street named The Midway. Turn left on The Midway (West) and it will lead you directly to the Bicentennial Center.

**CHECK THE WEBSITE FOR ADDITIONAL
SPEAKERS AND INFORMATION**

In order to utilize your time in Salina, we are once again offering this exclusive event. The AIM Symposium is in conjunction with the Winter Conference but is a **separate meeting**. The premise of the AIM Symposium is to *CHALLENGE THE INNOVATORS*.

The theme of this year's meeting is Cover Crops and will feature South American Ademir Calegari who started the cover crop excitement at the 2006 Winter Conference. During AIM Ademir will share a different presentation than he provides at the 2010 Winter Conference. Several experienced producers from the area will also share beneficial information about which cover crops have been tried and what is working.

- Check the website or call the office for additional details.
- Materials and lunch only guaranteed for those pre-registering by January 15.

WINTER CONFERENCE PREFERRED SEATING:
